

Christopher Brown, Ph.D.
Associate Professor of Geography - Curriculum Vitae

Department of Geography
New Mexico State University
Las Cruces, NM 88011

Mobile: 575-642-1794
FAX: 575-646-7430
Email: brownchr@nmsu.edu

Education

San Diego State University, University of California at Santa Barbara, 1992-1998.

Joint Doctoral Program in Geography; Ph.D. awarded on 12 December 1998.

- Dissertation Title: "A Watershed and Ecosystem Approach to Transboundary Wastewater Management in the Tijuana River Watershed."
Research Committee Chairperson: Professor Philip Pryde.

Michigan State University, East Lansing, MI, 1987-1991.

Masters of Arts, Geography; Degree received June, 1991.

- Masters Thesis Title: "An Examination of a Distance Decay Function Relating Air Quality to Power Plant Location."
Research Committee Chairperson: Dr. Joanne Westphal.

San Diego State University, San Diego, CA, 1982-1986.

Bachelors of Arts, Economics; Degree with Honors received, June, 1986.

- Emphasis and course work in environmental and energy economics.

Professional Experience

Department of Geography, New Mexico State University

- Department Head August, 2009- present

Department of Geography, New Mexico State University

- Associate Professor of Geography August, 2005 - present
- Director, Spatial Applications and Research Center

Department of Geography, New Mexico State University

- Assistant Professor of Geography August, 2000 - August 2005

Department of Geography and Planning, West Chester University

- Assistant Professor of Geography and Planning August, 1997 - July, 2000

Udall Center for Studies in Public Policy, The University of Arizona

- Ford Foundation/Udall Center Fellow July 1999 - December 1999

Department of Geography, San Diego State University

- Ph.D. Research Associate June, 1993 - 1997

Institute of Water Research and Center for Remote Sensing, Michigan State University (MSU)

- Research Specialist January, 1991 - August, 1992
- GEMNET Coordinator April, 1990 - August, 1992

Publications

- Mumme, S. and C. Brown. 2016. "The Real ID Act and the Tijuana Border Fencing: The New Politics of Security and Border Environmental Protection." Article in review for *Trilateral Politics: North American Environmental Issues and Policies*, edited by O. Temby and P. Storrett, to be published by SUNY Press. Paper in press, with expected publication date of fall of 2016.
- Nava, L. F., C. Brown, K. Demeter, F. Lasserre, M. Milanes-Murica, S. Mumme, and S. Sandoval-Solis. 2016. "Existing opportunities to adapt the Rio Grande/Bravo Basin Water Resources Allocation Regime." Paper published in special issue of *Water: "Water Resources Management: Innovation and Challenges in a Changing World,"* *Water*, 8(7), 291. Available at <http://www.mdpi.com/2073-4441/8/7/291/htm>.
- Clark, D., C. Brown, J. Garlisch, M. Patrick, S. Walker, and M. Uchanski. 2015. "Postharvest Food Infrastructure Asset Mapping and County Food System Assessment in New Mexico," article in review with *HortTechnology*, paper submitted 15 August 2015.
- Brown, C., R. Carr, M. Shoderbek, and R. Martin. 2015. "The spatial distribution of assets and challenges driving the quality of life in Doña Ana County, New Mexico", article in review with *Papers in Applied Geography*. Paper submitted on 15 June 2015.
- Walker, S., C. Brown, and S. Fernald. 2015. *Use of the DRASTIC Model to Evaluate Groundwater Pollution Sensitivity from On-Site Wastewater Systems in the Mesilla Basin*. WRRRI Technical Completion Report No. 367, available at http://nmwrrri.nmsu.edu/?page_id=3852. WRRRI Technical completion reports are peer-reviewed research reports on applied water resources research.

Grants, Contracts, and MOUs

- Principal Investigator on "Technical support for updating and maintaining PdNWC Website and conservation assessment for native fish species in the Rio Grande Basin, between Caballo Reservoir and Presidio, Texas," funded by the US Bureau of Reclamation and Texas A&M University. Period of performance is 9.1.16 to 9.30.17, amount funded is \$12,010.
- Principal Investigator on "New Mexico Route 66 Alignment GIS Project," funded by the US National Park Service. Period of performance is 8.15.16 to 4.30.18. Amount funded is \$20,000.
- Principal Investigator on Memorandum of Understanding between New Mexico State University and the US Army in support of the Army's Army Compatible Use Buffer Program. Period of performance is 9.1.16 to 9.30.18, no funding is attached to the agreement.
- Principal Investigator on Memorandum of Understanding between New Mexico State University and the Bureau of Land Management, "Research, Projects, and Activities in Support of Resource Management Planning for the Organ Mountains-Desert Peaks National Monument and Prehistoric Trackways National Monument." Period of performance is 4.12.16 to no end date. No funds are attached to this agreement, but project specific Scopes of Work are in force under this MOU for \$53,463.
- Principal Investigator on "Councilor's Internship to provide Geographic Information Systems (GIS) support to City of Las Cruces Amador Redevelopment Project," funded by the City of Las Cruces. \$6,200. Period of performance is 15 June 2015 to 14 June 2016.

- Co-Principal Investigator on “Ozone Characterization and Potential Transport in the El Paso, Juarez, Southern New Mexico Airshed,” funded by the El Paso Metropolitan Planning Organization. \$200,000. Period of performance is 23 February 2015 to 30 June 2016.
- Principal Investigator on "DAMDWCA ArcGIS Introduction Training 2014," submitted to the Dona Ana Mutual Domestic Water Consumers Association. \$1,474. Period of performance is August 5, 2014 - August 7, 2014, submitted 1 July 2014, proposal was funded.
- Co-Principal Investigator on "IDEALS AGEISS Army Mentor Protege Program," submitted to the US. Department of Defense through AGEISS. \$246,931. Period of performance is August 1, 2016 to 30 September 2017, , proposal was funded.
- Co-Principal Investigator on "IDEALS AGEISS Army Mentor Protege Program," submitted to the US. Department of Defense through AGEISS. \$246,931. Period of performance is August 1, 2014 - July 31, 2016, proposal was funded.
- Principal Investigator on "Understanding And Mapping the Landscape of Businesses in Dona Ana County," submitted to the Community Foundation of Southern NM. \$15,000. Period of performance is May 1, 2014 - June 30, 2015, submitted 19 May 2014, proposal was funded.
- Principal Investigator on “Developing a Shared Vision to Measure, Understand and Realize Urban Sustainability for the San Diego-Tijuana International Region,” submitted to the NSF Urban SRN Program as part of a team out of San Diego State University. Total research budget is \$10M, with \$72,577 proposed for my work at NMSU as a project partner. Period of Performance is 1 January 2015 to 31 December 2019, submitted 29 April 2014, proposal in review.
- Principal Investigator on “Research to explore enhanced watershed management in the Tijuana River Watershed,” submitted to the NMSU CLABS Travel Grant Program. \$1,000. Period of Performance is 1 April 2014 to 31 December 2014, submitted 7 March 2014, proposal was funded.
- Co-Principal Investigator on "Subcontract Training Proposal from NMSU for Tribal Technical Assistance Program," submitted to the North Central New Mexico Economic Development District, as part of a TTAP proposal to the Federal Highway Administration. \$245,518. Period of performance is May 1, 2014 - April 30, 2019), submitted 25 February 2014, proposal not funded.
- Principal Investigator on “GIS support for the New Mexico portion of the EPMPO – Part 3.” Proposal submitted to the El Paso Metropolitan Planning Organization. Proposal in the amount of \$43,797 was submitted on 15 February 2014, proposal was funded.
- Principal Investigator on “Particulate Matter Emission Inventory for the International Border Region of Southern New Mexico Using GIS and Source Specific Emission Factors,” submitted to the NMDOH/USEPA, through the NMSU College of Agricultural Consumer and Environmental Sciences. \$50,350.00. Period of performance is 1 December 2013 – 30 June 2014, submitted 1 September 2013, proposal was funded.
- Principal Investigator on "Environmental diplomacy & community-based efforts to enhance resilience of the Lake Champlain Basin Ecosystem," submitted to the NMSU Arts and Sciences Minigrant Program. \$1,000. Period of Performance is 1 January 2014 to 31 December 2014, submitted 1 September 2013, proposal was funded.
- Principal Investigator on "IGNITE-Engaging Youth Initiative PDNHF 2014," submitted to the Paso del Norte Health Foundation. \$22,914. Period of performance is August 1, 2013 - March 14, 2014, submitted 27 June 2013, proposal was funded.
- Principal Investigator on "iTrees Inventory and Database Development," submitted to the City of Las Cruces, \$3,901. Period of Performance is May 28, 2013 - August 31, 2013, submitted 16 May 2013, proposal was funded.
- Principal Investigator on "Landscape Scale Patterns of Fire And Drought in the Great Plains," submitted to the US Department of Agriculture/Forest Service. \$44,880.00, Period of Performance is May 21, 2013 - December 31, 2014, submitted 7 May 2013, proposal was funded.

- Co-Principal Investigator on "Selenium (Se) Tracking and Research Project in the San Juan Watershed," a project sponsored by BHP Billiton/San Juan Coal Company. Total Award: \$100,000. Period of performance is 15 January 2013 - 30 June 2015, proposal was funded.
- Co-Principal Investigator on "NMSU Department of Geography Participation in HUD Camino Real Regional Plan for Sustainable Development," a project funded by the U.S. Department of Housing and Urban Development through Dona Ana County. Total award: \$50,000. Period of performance is 21 November 2012 - 30 June, 2015, proposal was funded.
- Co-Principal Investigator on "Development of a Geospatial Technology Capacity Building (GTCB) Program," a joint project between the New Mexico State University Department of Geography and GSAREH LLC (Geospatial Applied Research Experts House). Total Award: \$102,185. Period of performance is 1 November 2012 - 31 October 2015., proposal was funded.
- Principal Investigator on "Examination of Risk to Groundwater from Onsite Wastewater Management Systems," a grant funded by the Border Environment Cooperation Commission, Total Award: \$113,292. Period of Performance is May 7, 2012 - 31 January 2014, proposal was funded.
- Co-Principal Investigator on "Geodatabase Development for the New Mexico Portion of the EPMPO," a project funded by the El Paso Metropolitan Planning Organization. Total Award: \$45,875. Period of Performance is September 1, 2012 - December 31, 2013, proposal was funded.
- Co-Principal Investigator on "Transportation Studies, Research and Evaluation for City of El Paso," a project funded by the City of El Paso Total Award: \$50,000. Period of performance is August 13, 2011 - December 31, 2012, proposal was funded.
- Co-Principal Investigator on "Assessment of Land-based Sources of Air Quality Contaminants in the Binational Border Region," a project sponsored by the NM Department of Health. Total Award: \$43,470. Period of Performance is September 1, 2012 - June 30, 2013.
- Co-Principal Investigator on "GPS Field Data Collection and GIS Mapping Services for DAMDWCA Service Area", a project funded by Daniel B. Stephens & Associates, Inc. Total Award: \$26,283. Period of performance is November 2, 2011 - September 30, 2012.
- Co-Principal Investigator on "Community Transitional Grant (CTG) GIS Database Development and Mapping", a project sponsored by the NM Department of Health. Total Award: \$24,052.25 Period of performance is March 24, 2012 - June 30, 2012.
- Principal Investigator on "Land Based Sources of Air Quality Contaminants in the Binational Border Region of Southwestern New Mexico, Northwest Chihuahua, and West Texas." Overall grant funded by New Mexico Department of Health to NMSU was \$236,200, with \$41,595 coming to the NMSU Department of Geography. Period of performance is 12 August 2010 to 30 June 2011.
- Principal Investigator on "Establishment of a Binational Transportation Planning Center," a proposal for a federal initiative submitted to the Vice President of Research at NMSU on 19 October 2010. Proposal is for \$500,000/year over five years and was accepted for inclusion into the NMSU Federal Initiatives Portfolio to be pursued in upcoming federal budget cycle.
- Principal Investigator on proposal for ERR Funds administered by the NMSU Senior Vice President of Business and University budget Committee to support university-wide purchase of GIS and remote sensing software licenses. Proposal was for \$22,232 and was approved for funding 24 September 2010.
- Principal Investigator on "Exploring the impacts of the built environment on energy balance behaviors and human health outcomes in Dona Ana County, NM," a grant proposal submitted to the National Institutes of Health, R21 FOA - Geographic and Contextual Influences on Energy Balance-Related Health Behaviors. Proposal was submitted on 15 June 2010, amount requested was \$240,000.
- Principal Investigator on "Exploring Flood Risk in the Paso del Norte Region Through the Use of Hydrologic Models, Geographic Information Systems, and Remote Sensing," a proposal funded by the Southwest Consortium for Environmental Research and Policy. Proposal was funded on 10 November 2009 in the amount of \$44,006.

- Principal Investigator on “Research into Transboundary Water Resource Management in North America, A Comparative Perspective,” a proposal submitted to the Canadian Studies Grant Program, Canadian Embassy, Washington, DC. Proposal was funded on 1 February 2010 in the amount of \$9,400.
- Team leader on Assessment Project for Non-Native Phreatophyte/Watershed Management Plan developed by the New Mexico Soil and Water Conservation Commission. Total funding is \$152,610, with \$20,000 coming to our team. Project started 31 August 2007 and runs until 30 June 2008.
- Principal Investigator on “Binational Transportation Infrastructure Needs Assessment Study,” a proposal submitted to the New Mexico Department of Transportation and the U.S. Federal Highway Administration. Amount of grant is \$140,000, which was awarded on 1 February 2007.
- Principal Investigator on “A Comparative Examination of the *Acequia* Water Resource Regime in New Mexico and Spain,” a travel grant submitted to the NMSU International Programs Travel Grant Program. Grant of \$2,500 was awarded on 1 November 2006.
- Principal Investigator on “A Comparative Examination of the *Acequia* Water Resource Regime in New Mexico and Spain, a travel grant submitted to the NMSU College of Arts and Sciences Minigrant Program. Grant of \$1,200 was awarded on 20 November 2006.
- Co-Principal Investigator on “The Development of a Coordinated Database and GIS for Water Related Resources in the Paso del Norte Watershed,” a project submitted to the U.S. Army Corps of Engineers. Amount of proposal is \$110,071, and the award was granted 1 September 2006.
- Principal Investigator on “Installation of River and Drain Instrumentation Stations to Monitor Flow and Water Quality and Internet Data Sharing,” NMSU/WRRI and Texas A&M University Research Project Cooperative Agreement Task Order #10. Amount of Overall grant with the US Bureau of Reclamation is \$165,000, and the portion of this coming to NMSU is \$56,000. Award received 1 February 2006.
- Award of a Travel Grant by the NMSU Center for Latin America and Border Studies on 12 December 2005. Amount of grant was \$300, which supported conference travel in 2005.
- Principal Investigator of “The Impacts of Land Use Change on Water Resources and Traditional *Acequia* Culture in North Central New Mexico,” an NMSU Research Mini-Grant Program Round 2 Proposal submitted through the NMSU Water Science and Education Center of the Natural Resources Cluster. The amount of the grant was \$25,000, and the award was made on 1 December 2005.
- Co-Principal Investigator on “Development of a Riverware Model of the Rio Grande Flow and a Coordinated Database for Water Related Resources in the Rio Grande Watershed,” a project funded by the U.S. Army Corps of Engineers. Performed Under the Memorandum of Agreement between the Agricultural Research and Extension Center at El Paso (AREC) Texas Agricultural Experiment Station (TAES), The Texas A&M University System (TAMU) and The Board of Regents of New Mexico State University (NMSU) New Mexico Water Resources Research Institute (NMWRRI). Amount of award is \$66,210, awarded 1 August 2005.
- Co-Principal Investigator on “The Cost-sharing of Transboundary Wastewater Treatment: the US-Mexico Case Study and its Applicability to the Israeli/Palestinian Situation,” a proposal funded by the International Arid Lands Consortium (IALC). Total amount of the award is \$100,000, granted on 11 March 2005.
- Principal Investigator on “An Assessment, Inventory, and Strategy for a Coordinated United States - Mexico Border Region Water Resource Geographic Information System.” a funding proposal submitted to the Southwest Center for Environmental Research and Policy. Proposal was submitted for \$103,025, and the amount awarded on 15 March 2005 was \$90,000.
- Award of a Travel Grant by the NMSU Center for Latin America and Border Studies on 14 November 2004. Amount of grant was \$300, which supported conference travel in 2005.

- Co-Principal Investigator on “Enhancement of Data Portal Capabilities of the Paso del Norte Watershed Council Coordinated Water Resources Database Project,” a funding proposal submitted to the United States Army Corps of Engineers through the Texas A&M University. Total amount of the project is \$100,000, with \$61,668 being awarded to NMSU on 29 July 2004.
- Principal Investigator on “Binational GIS Mapping Project in Support of SCERP Border Institute VI on Transboundary Ecosystem Management,” a contract with the Southwest Center for Environmental Research and Policy for mapping services in support of SCERP conference. Amount of project was \$3,000, awarded on 24 May 2004; contract paid a student to complete the work.
- Principal Investigator on “Proposal to Enhance Library Holdings in Support of Geo-Spatial Research in the Physical and Social Sciences,” a funding proposal to the NMSU Library to obtain a share of the 2003-2004 New Mexico General Obligation Bond Monies. Amount granted on 27 April 2004 was \$20,320.
- Co-Principal Investigator on “Development of a Coordinated Database and GIS for Water Related Resources in the Rio Grande Watershed,” a funding proposal submitted to the United States Army Corps of Engineers through the Texas A&M University. Total amount of the project is \$70,000, with \$43,610 being awarded to NMSU on 16 April 2003.
- Co-Principal Investigator on “Phase II Development of a Coordinated Water Resources Database for the Paso del Norte Watershed Council,” a funding proposal submitted to the El Paso Water Utilities through the Texas A&M University. Total amount of the contract is \$65,665, with \$39,698 being awarded to NMSU on 19 February 2004.
- Award of a Travel Grant by the NMSU Center for Latin America and Border Studies on 23 December 2003. Amount of grant was \$300, which supported conference travel in 2004.
- Principal Investigator on “Vulnerability of Borderland Water Resources: Developing Indicators for Selected Watersheds on the U.S. Mexico Border – The Paso del Norte Region,” a funding proposal submitted to the Southwest Center for Environmental Research and Policy. Proposal was submitted for \$96,550, and the amount awarded on 7 May 2003 was \$77,602.
- Co-principal Investigator on the “NMSU Border + 20 Grant” awarded by the Southwest Center for Environmental Research and Policy. Total amount of the grant is \$90,000 for the 12 month grant period, 1 September 2002-1 September 2003.
- Co-Principal Investigator of a contract awarded by the El Paso Water Utilities through the Paso del Norte Watershed Council to NMSU and Texas A&M University to fund “Development of a Prototype Coordinated Database Project for the Paso del Norte Watershed Council.” Total amount of the contract is \$50,000, with \$28,250 being awarded to NMSU.
- Award of a travel grant by the National Science Foundation and the American Geophysical Union to support participation in the First International Symposium on Transboundary Waters Management, hosted by la Asociación Mexicana Hidraulica, Monterrey, Nuevo Leon, Mexico. Grant of \$1500 was awarded on 26 August 2002.
- Co-principal Investigator on a contract with the Dona Ana County Community Development Department. Project is entitled, “Transportation and Major Thoroughfare Plan for Southern Dona Ana County.” Nine month project ran from June 2001 to March 2002, with a total budget of \$30,000.
- Award of New Mexico State University Mexico Small Grant Program grant, supporting exploration of water resource issues in the Paso del Norte. Awarded 1 December 2001.
- Award of a grant from the U.S. Department of State, Public Affairs Office of the U.S. Consulate general in Monterrey to support my participation in a conference entitled, Conflicto Urbano-Rural por el Agua: Ejemplos de Mexico y los Estados Unidos. Grant was for \$1,159.53 and was awarded on 11 June 2001.
- Award of New Mexico State University Mexico Small Grant Program grant, supporting exploration of water resource issues in the Paso del Norte. Awarded 1 December 2000.

- Award of a Francis H. Green Library General Education Materials Award, West Chester University, Spring term, 2000.
- Award of Research Related Reassigned Time by the School of Business and Public Affairs, West Chester University, Spring term, 2000.
- Award of a Ford Foundation/Udall Center Fellowship in Environmental Conflict Resolution in the U.S. Mexico Border Region, The Udall Center, University of Arizona. Term of Fellowship was 1 July 1999 - 31 December 1999 and included an \$18,300 stipend.
- Award of a WCUPA Legislative Initiative Grant for the acquisition of multi-media equipment to support teaching. Amount awarded on 1 April 1999 is \$8,000.
- Award of Research Related Reassigned Time by the School of Business and Public Affairs, West Chester University, Fall Term, 1998.
- Award of Research Related Reassigned Time by the Faculty Development Committee, West Chester University, Fall Term, 1998.
- Co-Principal Investigator with Richard Gersberg, "Predictive Modeling of the Interactions Between Land Use and Storm Water Quality in the Tijuana River Watershed." Southwest Center for Environmental Research and Policy (SCERP) Project # WQ96-2, funding amount \$100,000, funding period: 1 September, 1997-31 August, 1998.
- Co-Principal Investigator with Richard Gersberg, "Monitoring and Modeling of Water Quality in the Tijuana River Watershed." SCERP Project #WQ96-2, funding amount \$81,659, funding period: 1 September, 1996-31 August, 1997.
- Co-Principal Investigator, "Near Term Project for Development of CIESIN/MSU Management Products." with Consortium for International Earth Science Information Network (CIESIN) and Michigan State University (MSU), CIESIN Task Order no. 401-91, MSU, 1992.
- Co-Principal Investigator, "Regional Watershed Demonstration Project for an Environmental Information System for Data Integration in the Saginaw Bay Area." Work Undertaken Under NASA/CIESIN Grant No. NAGW-2901, MSU, 1992.
- Co-Principal Investigator, "Global Change Data Assessment and Integration Project" with the USDA and CIESIN, CIESIN Task Order No. 411-92, MSU, 1992.

Honors, Awards, and Scholarships

- Award of the New Mexico State University Research Council's Award for Exceptional Achievements in Creative Scholarly Activity. Awarded in August of 2006 by Dr. Vimal Chitanya, Vice President of Research, NMSU.
- Designation on 5 May 2004 as Member of the NMSU Teaching Academy by Provost William V. Flores and Dr. Tara Gray, Director of The Teaching Academy. Membership reflects at least 15 hours of faculty development activities undertaken at The Teaching Academy.
- Designation as a member of the "Who's Who Among America's Teachers, 2002" a national honor that is bestowed on only 5% of teachers in the United States.
- Award of the Intergraph Young Scholars Award for the 2002 UCGIS Assembly, awarded by the Intergraph Corporation for participation in the 2002 UCGIS Assembly, 17 June 2002.
- Award of an opening within the Institute for Technology-Assisted Learning, New Mexico State University, Summer 2000. Award granted on 7 June 2000.
- Sigma Xi Grant-in-Aid Award, San Diego Chapter of Sigma Xi, San Diego State University, May, 1997.
- National Center for Geographic Information and Analysis Travel Scholarship, University of California, Santa Barbara, January, 1996.

- California State University Student Research Competition and Conference, Second Place Award, Social Science Session, CSU San Bernadino, May, 1995.
- Phi Beta Delta ~ Honor Society for International Scholars ~ Scholarship Award, San Diego State University, Fall, 1995 and Spring, 1994.
- Sierra Club, North San Diego County, Bob Davey Memorial Scholarship, August, 1995 and May, 1993.
- National Science Foundation (NSF) International Travel Award, Graduate Fellowship Program of the NSF, May, 1994.
- Graduate Fellowship, Office of Graduate Studies, San Diego State University, 1992-1993.
- Graduate Fellowship, Graduate School, Michigan State University, 1986-1987.
- Graduated with Honors (Distinction), San Diego State University, BA, 1986.
- Center for Public Economics Scholarship, San Diego State University, 1985 and 1986.

Technical Committee and Professional Society Membership

- Service as a member of the Journal Editor Search Committee for the Social Science Journal, the journal of the Western Social Science Association (WSSA). Term of service is from date of appointment, 15 April, until 31 December 2011, the end of the term for the current journal editor.
- Service on BECC Steering Committee to Explore Options for North Valley Regional Water and Wastewater Project, Doña Ana Mutual Domestic Water Consumers Association, date of service is 1 March 2010 to present.
- Service as a member of the Executive Committee of the Western Social Science Association (WSSA). Term of service is for 3 years, and date of appointment is 1 February 2008.
- Service as an Associate Editor of the Social Sciences Journal, the professional research journal published by the Western Social Science Association (WSSA). Term of service is from 15 September 2007, for a period of three years. Duties include manuscript review and providing guidance to the WSSA Executive Board on issues related to the Journal.
- Member of the Technical Advisory Panel for the Non-Native Phreatophyte/Watershed Management Plan being developed by the New Mexico Soil and Water Conservation Commission. Chair of the Panel is Dr. J. Phillip King of the New Mexico State University Department of Civil Engineering, and the term of service is from 15 July 2007 to present.
- Member of the NMSU Faculty Advisory Committee on Technology, a university-wide committee to provide faculty input to Dr. Michael Hites, NMSU Chief Information Officer. Term of service is fall 2005 to fall 2008.
- Member of the Good Neighbor Environment Board, an independent advisory committee supported by the U.S. Environmental Protection Agency (USEPA). Its mission is to advise the U.S. President and Congress on environmental issues along the U.S. border with Mexico. Appointment is by the USEPA Administrator, from 1 February 2006 to March 2010.
- Member of the Board of Directors of the Water Resources Specialty Group of the Association of American Geographers, elected 7 March 2003 for a 2-year term.
- Alternative Delegate to the Universities Council on Water Resources, appointed by NMSU Provost, Dr. William V. Flores, 16 September 2002.
- Member of the NMSU Arts and Sciences Faculty Senate Information Technology Committee, 1 May 2001 to 15 August 2002.
- Member of the Rio Grande Citizen's Forum, a citizens' forum providing input to the International Boundary and Water Commission, Spring 2002 to 2006.
- Co-Chair of the Paso del Norte Watershed Council Coordinated Database Project Technical Committee, 1 August 2002 to 31 December 2012. I remain on the committee as member.

- Member of the Paso del Norte Watershed Council Executive Committee, a regional bi-national water resource planning effort in the Paso del Norte, 19 October 2001 to present.
- Member of the Paso del Norte Water Task Force Support Team, a tri-lateral, bi-national water resource planning effort in the Paso del Norte, 1 January 2001 to present.
- Member of the Association of Borderland Scholars/Studies, 1994 - present.
- Member of the Association of American Geographers, 1987 to present.
- Member of the Friends of the Santa Cruz River, July 1999 to 2000.
- Member of Santa Cruz River Alliance, July 1999 to 2001.
- Binational Coalition of the Tijuana River Watershed, founding member, 1996-1997.
- Environmental Committee of the San Diego-Tijuana Region, United Nations Association Project, August, 1992 to 1997.
- Association of Applied Geographers, San Diego Chapter, 1993 to 1995.
- Association of Pacific Coast Geographers, 1993 to 1995.
- Groundwater Education in Michigan committee reviewing funding proposals to the W.K. Kellogg Foundation, Institute of Water Research (IWR), MSU, 04/90 to 08/92.
- Wellhead Protection Technical Advisory Committee, IWR, MSU, 03/91 to 08/92.
- American Society of Photogrammetry and Remote Sensing, 1987 to 1990.
- Sustainable Resource Use Group, Michigan State University, 1988-1990, founding member.

Service Committees and Activities

- Service as a member of the NMSU Graduate Council, which involves providing input and guidance to the Graduate Dean on matters related to graduate education and research. Position is elected, and the term of service is fall of 2014 to fall of 2017. Also served as the Vice Chair from Fall 2014 to Fall 2016.
- Service as Chair of the NMSU Faculty Senate, an elected position. Period of service is 16 May 2016 to 15 May 2017.
- Service as Faculty Senator in the NMSU Faculty Senate, an elected position. Period of service is 15 August 2014 to 15 May 2016.
- Service as Chair of the Southwest Division of the AAG (SWAAG) - Ad Hoc Committee on Course Materials Gallery, date of service is 1 November 2014 to present.
- Service as Chair of the Association for Borderlands Studies (ABS) Bylaws Revision Committee, date of service is 1 May 2014 to present.
- Service as Co-Chair of the Association for Borderlands Studies (BS) Bylaws Revision Committee, date of service was 1 July 2013 to 309 April 2014.
- Service as member of the Board of Directors of the Ocotillo Institute for Social Justice, a community committee committed to improving the quality of life of residents of Dona Ana County. Service is as invitation of DAC Commission Chairperson, Billy, Garrett, 1 June 2013 to present, with intent to expand on the work of the J. Paul Taylor Symposium on Social Justice and stand up a 501©3 non-profit.
- Service on Steering Committee for the J. Paul Taylor Symposium on Social Justice, Las Cruces, NM. Working with Steering Committee members, hosted a very successful symposium that reached ~ 300 people. Period of service is February 15, 2011 to 3 April 2013.
- Service to White Sands Elementary School, Las Cruces, NM. Provided outreach support for two programs, the White Sands School Science Fair, and the White Sands School Geography Bee. Period of service is October 2011 - Present.
- Service to Boy Scouts of America, Cub Scout Pack 68, Las Cruces, NM. Serve as adult leader to Cub Scout Pack 68, leading pack and den meetings, and helping boys with pack projects and activities. Period of service is January 15, 2011 - December 31, 2012.

- Service to the El Paso Metropolitan Planning Organization (EPMPO) in support of their long range planning effort, Forecast Workgroup for Demographics. Activities included participation in focus groups and online planning modules, with period of service being May 2011 to present.
- Service as a member of the NMSU Building the Vision (BTV) Committee. BTV is the current University comprehensive master planning effort, and term of service from 1 April 2011 to 15 August 2013.
- Service as a member of the NMSU Domenici Institute Advisory Board, representing the College of Arts and Sciences on this campus wide advisory committee. Term of service is open ended, starting on 1 November 2010.
- Service as member of the NMSU Sustainability Council, a campus group with charge to advance sustainability principles in campus operations and curriculum. Term of service is open ended, starting on 15 August 2010.
- Service as Chair of the NMSU College of Arts and Sciences Senior Senator Review Committee, charged by NMSU Provost Waded Cruzado to settle appeals by an NMSU faculty members terminated for cause. Named as chair on 15 May 2008, and period of service is from this date to 15 May 2010.
- Service as a member of the Advisory Committee to the Office of International and Border Programs to support the formation of the NMSU International Relations Institute. Term of service is from Spring 2007 to present, and appointment was by Delano Lewis, Senior Fellow, Office of the President.
- Service as a member of the Executive Committee for the NMSU Center for Latin American and Border Studies. Term of service is fall 2006 to 2011.
- Service as a member of the NMSU Graduate Council, which involves providing input and guidance to the Graduate Dean on matters related to graduate education and research. Position is elected, and the terms of service are Fall 2006-Fall 2009. Also served as the Vice Chair from Fall 2007 to Fall 2008, and Chair from 2008-2009.
- Service as Chair of the NMSU Ad Hoc Committee on Plagiarism and Academic Misconduct, an NMSU campus wide committee reporting directly to the Chair of the NMS Faculty Senate. Term if service is 15 February 2006 to 15 May 2010.
- Service as Board Member of the Association of Borderland Studies (ABS). Term of service is 14 April 2008 to 13 April 2011. Previous to this, I served as President of the ABS from 14 April 2006 to 13 April 2007.
- Service as a member of the NMSU Living the Vision Implementation Committee. Committee is chaired by Vice Provost Garrey Carruthers and reports directly to the President of NMSU. Term of service is August 2005 to 1 April 2011.
- Service on the Steering Committee of the NMSU Border Research Cluster, August 2005 to 15 May 2008. Duties include providing leadership to the cluster and working with the Graduate School and Vice Provost for Research in making Cluster funding decisions.
- Named as Director of the NMSU Spatial Applications Research Center (SpARC), by Dr. Robert Czerniak, Previous SpARC Director and Founder and Associate Dean of Research for the NMSU College of Arts and Sciences. Service is effective 1 January 2005 and is an open-ended appointment.
- Service on behalf of the NMSU Department of Geography and the College of Arts and Sciences through service as an NMSU Faculty Senator and service on the Faculty Senate Faculty Affairs Committee. Term if service is August 2004 to May 2007.
- Service to the NMSU Vice Provost for International and Border Programs, through participation on a proposal funded by the National Endowment of the Humanities that will fund faculty workshops in support of the NMSU Southwest and Border Studies Program.
- Service on an NMSU Task Force chaired by Dr. Everett Eggington, NMSU Vice Provost for International Programs, to organize a regional conference on U.S.-Mexico border issues to be held in Spring of 2006.
- Service as member of the International Programs Advisory Committee, chaired by Dr. Everett

Eggington, NMSU Vice Provost for International Programs.

- Service as a Jury Member for the 2004 Graduate Research and Arts Symposium, hosted by The NMSU Graduate School and the NMSU Graduate Student Council.
- Service from March 2003 to May 2004 as a faculty mentor to Ms. Olivia Montalvo in the NMSU McNair Scholars Program, administered through the NMSU Office for Learning Assistance. The McNair Program works to advance under-represented students in graduate work toward a Ph.D.
- Service on the NMSU Library General Obligation Bond Proposal Committee from 15 November 2003 to May 2004.
- Service as invited member of an International Experts Panel on Binational Collaborative Partnerships for Water Conservation in the Paso del Norte Region, hosted by Environmental Defense and el Instituto Nacional de Investigaciones Forestales, Agrícolas y Pecuarias, Ciudad Juárez, 29-30 September 2003.
- Service on the NMSU Faculty Senate Library Committee from 15 August 2003 to present.
- Service on an NMSU Task Force chaired by Dr. Everett Eggington, NMSU Vice Provost for International Programs; Task Force is organizing a regional conference on U.S.-Mexico border issues to be held in Fall Term, 2004.
- Service as Elected Chairperson of the Las Cruces Metropolitan Planning Organization Bicycle Facilities Advisory Committee, 1 January 2003 to present.
- Service to Teaching Academy Focus Group on Teaching Excellence, convened by Provost William Flores in Summer of 2002.
- Service as elected member of the Board of Directors of the Association for Borderland Studies, April 2001 to April 2004.
- Service as Departmental Faculty Coordinator to Department Instructional Computer Laboratory, Spring 2001 to Summer 2002.
- Service as Library Liaison on behalf of the NMSU Department of Geography, aiding in collections assessment and development, August 2000 to present.
- Service as NMSU Graduate Dean's Representative to graduate committees, August 2000 to present.
- Service on a joint NMSU-Universidad Autonoma de Ciudad Juarez Task Force exploring collaborative research efforts, fall 2001 - spring 2002. Membership on this committee was at the personal appointment of University President Jay Gogue and Provost William Flores.
- Service on NMSU College of Arts and Sciences (A&S) Committee to develop the A&S U.S.-Mexico Border Studies Minor, Spring 2001-Fall 2001.
- Service as the NMSU Department of Geography's Coordinator for the 2002 NMSU United Way Pledge Drive, fall 2001 - present.
- Service as Chair of Student Participation Committee, Association for Borderland Studies, April 1999 to present.
- Service on Ford Foundation/Udall Center Fellowship Competition Committee to review applications for the year 2000.
- Service as Proxy for Department Chair on the WCUPA Curriculum and Academic Policies Council, 1997-1999 academic years.
- Appointed member of the Employment Opportunities and Career Development Committee, Association of American Geographers, for a three year term, 1 July, 1997-1 July, 2000.

Article, Book, and Grant Reviews

Book Reviews

- Brown, C. 2010. Invited review of **Nonprofits and their Networks: Cleaning the Waters along Mexico's Northern Border**, by Daniel Sabet. Review submitted to the *Journal of Borderland Studies* on 1 April 2010, published in summer of 2010.
- Brown, C. 2002. Invited review of advanced materials for "Concepts and Regions," a new text book written by de Blij and Muller and published by John Wiley and Sons, Inc. Review was submitted to Mark Gerber, Wiley Senior Editor, on 27 January 2002.
- Brown, C. 2001. Book Review of **Geographic Information Systems: An Introduction**, by Tor Bernhardsen. *The Professional Geographer*. 53(3):460-462.
- Brown, C. 2001. Book Review of **Geographical Information Systems: Principles, Techniques, Applications and Management**, Second Edition. Paul A. Longley, Michael F. Goodchild, David J. Maguire, and David W. Rhind (eds). *The Annals of the Association of American Geographers*. 91(3):590-592.
- Brown, C. 1998. Book review of **Water Boundaries** by George Cole. *The Professional Geographer*, 50(4): 535-536.

Article reviews

- Brown, C. 2015. Invited anonymous review of "Emerging Information Networks Between Mexico and the U.S.A," a paper submitted to the *Journal of Borderland Studies*. Review was submitted to the editor on 14 July 2015. R&R follow up review submitted 11 October 2016.
- Brown, C. 2015. Invited anonymous review of "Recent Demographic Change in the Rio Grande Valley of Texas: The Importance of Domestic Migration," a paper submitted to the *Journal of Borderland Studies*. Review was submitted to the editor on 13 July 2015.
- Brown, C. 2014. Invited anonymous review of "The La Paz Agreement Thirty Years On: The Politics of Environmental Cooperation Along the U.S.-Mexican Border," a paper submitted to the *Journal of Environment and Development*. Review was submitted to the editor on 4 February 2014.
- Brown, C. 2013. Invited anonymous review of "Borderlands Studies and Comparative Public Administration: A Model Transdisciplinary Nexus," an article submitted to the *Journal of Borderland Studies*. Review was submitted to the editor on 22 November 2013.
- Brown, C. 2011. Invited anonymous review of "The limits of borders. Stages of transboundary water management," an article submitted to the *Journal of Borderland Studies*. Review was submitted to the editor on 20 February 2012.
- Brown, C. 2011. Anonymous review of "Context and differentiation: development of the wine industry in three Canadian regions," an article submitted to the *Social Science Journal*. Review submitted online at <http://ees.elsevier.com/socsci/default.asp> on 8 June 2011.
- Brown, C. 2011. Anonymous review of "Water Infrastructures in the Mexico-US Borderlands," a paper submitted to *Sustainability on the Border: Water, Climate and Social Change in a Fragile Landscape*, a conference sponsored by the National Science Foundation at the University of Texas, El Paso. Review submitted to Dr. Josiah Heyman, 5 May 2011.
- Brown, C. 2010. Anonymous review of "Water Conservation from Israeli and Palestinian Perspectives: Conservation as a Way of Life," a book chapter submitted to the Water Resources Research Center at the University of Arizona, to be published by UNESCO in a book on Israeli-Palestinian water management. Review submitted electronically on 12.26.10.
- Brown, C. 2010. Anonymous review of "Spatially varying relationships between land use and water

- quality across an urbanization gradient explored by geographically weighted regression,” a paper submitted to **Applied Geographer** (<http://ees.elsevier.com/japg>). Review submitted online on 7.12.10.
- Brown, C. 2010. Anonymous review of “Assessing the Human-Environment Relationship: A Complex-Systems Methodology to Modeling Climate Change,” an anonymous review of an article submitted to **The Social Science Journal**. Review was submitted to the editor on 8 February 2010.
 - Brown, C. 2009. Invited anonymous review of “United States-Mexican Border Watershed Assessment: Modeling Non-Point-Source Pollution in Ambos Nogales,” an article submitted to the **Journal of Borderland Studies**. Review was submitted to the editor on 15 September 2009.
 - Brown, C. 2009. Invited anonymous review of “A Descriptive Overview of the Rio Grande-Rio Bravo Watershed,” an article submitted to **Transboundary Water Resource**. Review of article was submitted to the editor on 12 July 2009.
 - Brown, C. 2007. Invited anonymous review of “NAFTA and the Border Environmental Cooperation Commission: Assessing Activism in the Environmental Infrastructure Project Certification Process (1996-2004),” an article submitted to the **Journal of Borderlands Studies (JBS)**. Review of article was submitted to the JBS editor on 27 October 2007.
 - Brown, C. 2006. Anonymous review of “Sharing Water Resources Data in the Bi-National Rio Grande/Río Bravo,” a manuscript submitted to the American Society of Civil Engineers, **Journal of Water Resources Planning and Management Engineering**. Review of article submitted to Stephen Draper on 24 September 2006.
