

## **VITAE**

Michael N. DeMers  
Department of Geography, New Mexico State University  
MSC MAP, P.O. Box 30001  
Las Cruces, NM 88003  
(575) 496-5231

**DATE:**11/6/2015

**E-Mail:** demers01@gmail.com

## **EDUCATION**

GCERT, Online Teaching and Learning, NMSU, 2007

Ph.D., Geography, University of Kansas, 1985

M.Phil., Geography, University of Kansas, 1983

M.S., Geography, University of North Dakota, 1980

B.S.Ed., Earth Science, University of North Dakota, 1974

## **CERTIFICATES**

2016 Quality Matters Certified Course Evaluator

2015 Geographic Information System Professional (GISP)

2013 National Certificate of Course Recognition - Fundamentals of Geographic Information Systems (Quality Matters).

Teachers Teaching Teachers GIS (T3G) Institute Certificate (Esri)

2012 Introduction to Scripting in Unity (Digital Tutors)

Introduction to Unity (Digital Tutors)

2011 Blended Learning: Using the HyFlex Course and Design Process (Sloan-C)

2010 Learning ArcGIS Desktop (ESRI)

Creating and Editing Geodatabase Topology with ArcGIS Desktop (ESRI)

2009 Planning for a GIS (ESRI)

## **POSITIONS HELD**

2011-present, Professor, Geography, New Mexico State University

2009-2012, Courtesy Professor, Survey Engineering, Texas A&M, Corpus Christi.

1996-2011, Associate Professor, Geography, New Mexico State University

2000-2004, Department Head, Geography, New Mexico State University

1993-1996, Assistant Professor, Geography, New Mexico State University Assistant Professor, Survey Engineering, New Mexico State University

1991-1993, Courtesy Assistant Professor, Graduate Program in Environmental Science, The Ohio State University

1986-1993, Assistant Professor, Geography, The Ohio State University

1985-1986, Assistant Professor, Geography, North Texas State University

1983-1984, Assistant Professor, Dept. of Geography, Mankato State University

#### **SCHOLARSHIPS AND AWARDS**

Quality Matters (QM) Certification, Geography 481 (Fundamentals of GIS), 2013

Distinguished Alumni Award, University of North Dakota, 2013

Teaching Innovation Award, New Mexico State University Teaching Academy, 2011

James R. Anderson Medal of Honor in Applied Geography, 2010

Who's Who in America, Summer, 2006

Who's Who in Social Science Education, Fall, 2004

Highest Award for Achievement, Dale Carnegie Training, Fall, 2003.

Certificate of Completion, Dale Carnegie Course, Fall, 2003.

Teacher of the Year Nomination, Arts and Sciences, Ohio State, Spring, 1990.

#### **PUBLICATIONS: BOOKS / MONOGRAPHS / AND BOOK CHAPTERS**

## **ENCYCLOPEDIA ARTICLES**

DeMers, M.N., 2000, "Geographic Information Systems," Encyclopaedia Britannica

DeMers, M.N., 2000, "Global Positioning Systems," Encyclopaedia Britannica

## **SOFTWARE REVIEWS**

FASTCAD, *Professional Geographer*, Vol. 41, No. 1, pp. 89-91

DRAFIX CAD ULTRA, *Cartography and Geographic Information Systems*, Vol. 17, No. 1, pp. 114-116.

## **BOOK REVIEWS**

Geographic Information Systems: Principles and Applications, Geographical Review, Vol. 93, No. 3, pp. 330-332.

## **CONSULTING AND CONTRACT WORK**

2011 – 2012

Consultant, Los Alamos National Laboratories, The Visual Simulation Baseline Experience (curricular design for educating the International Atomic Energy Commission nuclear power plant inspectors within a virtual world created using Unity 3d and Unity 4)

2011 – 2012

Chair, Geospatial Advisory Committee, 1105 Media Inc.

2009 – 2012

Mentor, Sloan-C Online Teaching Certification Program

Facilitator for the Sloan-C Online Teaching Certification. I taught Intermediate Second Life for two to four times per year. This prepares online teachers to use Multi-User Virtual Environments in their classrooms.

County College Instructor. I taught GIS for Non-GIS Professionals for the Agricultural Extension Service

2008

Expert Witness: John Baca VS The State of New Mexico. I was retained by Lee E. Peters of Hubert & Hernandez, (575-526-2101). I interpreted aerial photographs using a-posteriori methods (no predisposed outcome) to determine the nature of land and water use. The State of New Mexico was attempting to remove water rights for land based on lack of use of the water for irrigation. My observations, although not conclusive in themselves, suggested that the use of periodic aerial photo interpretation was not sufficient to determine that the land had not been irrigated or used for agriculture.

2006

Evidence preparation: I was retained by the Bureau of Land Management, Las Cruces Field Office to interpret aerial photographs to determine the nature of change on the landscape, and its potential causes. The complainants (off-road driving clubs represented

by Hubert & Hernandez) argued that their use of the land was having no discernable or adverse effect on the Roblados Mountains land under control of the BLM and that the features visible on the aerial photos were natural. My observations and measurements disputed this conclusion. I determined an increased length of linear features through time and noted the development of loops that did not correspond to bedding planes nor to natural erosion cycles.

## **PRESENT RESEARCH INTERESTS**

Current research efforts involve GIScience, particularly the roots of GIS literature as it applies to supporting and teaching critical spatial thinking. I study the definition of land category boundaries and aerial differentiation theory as scientific geography. My applied research focuses on the design, teaching, and development of geographic information systems models for arid and semiarid ecosystems and habitat assessment and modeling; and floral and faunal mapping. Many of my most recent publications are based on the development and refinement of the UCGIS Body of Knowledge and revolve around new methods of delivering GIS education in an age of neo-millennial students. Finally, I am deeply concerned about the future of the discipline and am working to try to link the theoretical roots of geography to the practical applications with a view toward reinvigorating the discipline.

## **GRANT AWARDS (total ~ 5 M)**

Autumn, 2015: **PI:** GP-IMPACT: Developing a Pathway to The Geospatial Workforce, National Science Foundation, Under Review (\$323,644).

Autumn, 2015

**PI:** New Mexico Geographic Alliance, National Geographic Education Foundation, \$27,500

Spring, 2015

**PI:** New Mexico Esri ConnectED Instruction, Environmental Systems Research Institute, \$5,000

Autumn, 2014

**PI:** New Mexico Geographic Alliance, National Geographic Education Foundation, \$27,500

**Coordinator:** New Mexico Geographic Alliance Strategic Planning Grant, National Geographic Education Foundation, \$20,000.

Autumn, 2013

**Coordinator:** New Mexico Geographic Alliance, National Geographic Education Foundation, \$27,000

Autumn, 2012

**Coordinator:** New Mexico Geographic Alliance, National Geographic Education Foundation, \$34,000.

Spring, 2012

**Coordinator:** New Mexico Geographic Alliance, National Geographic Education Foundation, \$32,000.

Fall, 2010

**Co-PI:** Foundational Research for the Geographic Information Science and Technology BoK2. National Science Foundation: (\$409,000).

**PI:** Online communities of practice for mentoring GIS&T professionals, Association of American Geographers (EDGE) and National Science Foundation: \$2,000.

Summer 2010

**PI:** Geographic Information and Technology Association \$500

Spring, 2009

**PI:** Geographic Information and Technology Association: \$750

Fall, 2008

**PI:** Intergraph Registered Research Laboratory (2 year renewal): \$116,165.

Spring, 2008

**PI:** Geographic Information and Technology Association: \$1,000

Spring, 2007 - 2012

**PI:** Geographic Information and Technology Association: \$1,000

**Co-PI:** GIS Analysis of Domestic Violence in Dona Ana County, New Mexico. Department of Justice. \$850,000.

Spring, 2006

**PI:** Geographic Information and Technology Association: \$1,000

**PI:** Intergraph Registered Research Laboratory: \$116,165.

Spring, 2005

**PI:** Geographic Information and Technology Association: \$750

**PI:** Development of Spatial Databases for NBII/SWIN mini-node (Phase III). USGS NBII/SWIN, \$2,000.

Spring, 2004

**PI:** Geographic Information and Technology Association: \$1,000

**PI:** Development of Spatial Databases for NBII/SWIN mini-node (Phase II). USGS NBII/SWIN, \$2,000.

Fall, 2003

**PI:** Intergraph Corporation, "Geomedia Research Software Grant," \$119,000.

**PI:** Development of Spatial Databases for NBII/SWIN mini-node (Phase I). USGS NBII/SWIN, \$2,000.

Spring, 2003

**PI:** Geographic Information and Technology Association, \$1,000.

Spring, 2002

**PI:** A Predictive GIS Model of Differential Desertification, NASA, Faculty Award for Research, \$274,000.

**Co-PI:** Institute for Natural Resources Analysis and Management, "Laboratory for Environmental Spatial Analysis," National Science Foundation, EPSCoR Program, \$1,971,000.

**PI:** Soil and Water Conservation Society, "A Survey of Agricultural Land Preservation Activities," \$26,000.

**PI:** Geographic Information and Technology Association, \$1,000.

Fall, 2001

**PI:** Intergraph Corporation, "Educational Teaching Resources Software Grant," \$101,900.

Spring, 2001

**PI:** Geographic Information and Technology Association, \$1,000.

Spring, 1999 – Spring, 2003

**Co-PI:** Bureau of Land Management, Department of Defense, Cooperative Fish and Wildlife Service, "GIS and Remote Sensing Activities in support of the Aplomado Falcon relocation Program," approximately \$28,000.

Spring, 1998 - 1999

**PI:** Environmental Systems Research Institute, "Zoogeographical and Educational Uses of ArcAtlas," \$4,000.

Fall, 1996 – 1998

**PI:** Hornocker Wildlife Institute and the New Mexico Department of Game and Fish, "A Predictive GIS Model of Cougar Habitat Use in the San Andres Mountains, New Mexico," \$5,962.

Fall, 1993 - Spring 1994

**Cooperator:** United States Department of Defense, White Sands Missile Range, and Coop. US Fish and Wildlife Service, "Feral Horse Relationships to Vegetational Communities and Wildlife Habitat in the Tularosa Basin, New Mexico," \$5,000.

Fall, 1992 - Spring 1995

**Co-PI and GIS Specialist,** US Agency for International Development, Program in Science and Technology Cooperation, "Reclaiming Poland's Riverine Resources," \$149,998.

Fall, 1990 - Spring 1992

**Co-PI**, Office of Research and Graduate Studies, Interdisciplinary Research Grant Program, The Ohio State University, "Spatio-Temporal Analysis of Ohio Vegetation: A Prototype GIS for the Northern Virginia Military District." \$34,000.

Fall, 1985 - Spring 1986

**PI**, Research Initiation Grant, North Texas State University, \$1255, "Rating the Transportation of Hazardous Material: A GIS Application."

**Co-PI**, U S Army Corps of Engineers, \$168,693, "Pre-Impoundment Environmental Studies, Ray Roberts Lake." Aerial Photo interpretation and database creation and evaluation.

## **PAPER PRESENTATIONS AND POSTER SESSIONS**

**Paper Presentation:** Recoupling Theory and Application: Legitimizing U.S. Academic Applied Geography, SWAAG, Applied Geography Conference, Nov. 7, 2015.

**Paper Presentation:** A Quest-Based Online GIS Course: Preliminary Experiences, SWAAG, Applied Geography Conference, Nov. 7, 2015.

**Keynote:** Categorical Boundary Analysis: Sorting Out Terminology and Methodologies, Proceedings GEOTHINK, Athens, Nov. 5, 2015 (Via Skype).

**Paper Presentation:** Designing a Quest-Based GIS Course, Association of American Geographers, Chicago, Illinois, April 23, 2015.

**Paper Presentation:** Teaching the Complexities of Map Boundaries, Workshop on Teaching Spatial Thinking from Interdisciplinary Perspectives (SPATIALTHINKING 2015), October 12, Santa Fe, NM.

**Chair and Moderator:** The James R. Anderson Distinguished Lecture in Applied Geography: Geography's Future in the United States, Chicago, IL, April 21, 2015.

**Paper Presentation:** Transitioning to a Geographically Literate Society, New Mexico State University, Arts & Sciences Colloquium Series, Las Cruces, NM, March 2, 2015.

**Paper Presentation:** Online High School GIS Courses and Game-Based Professional Development, Annual Alliance Coordinator Meeting, Washington, DC, Feb. 26, 2015.

**Invited Speaker:** Revisiting Classical Land Classification, Assessment, and Management Literature to Inform GIS Research, Retro-Colloquium, Redlands, CA, Feb. 13, 2015.

**Paper Presentation:** Mapping a Traditional GIS Course Onto a Quest-Based Learning Platform, ESRI Southwest User Conference, Santa Fe, NM, Dec. 3, 2014

**Paper Presentation:** Creating ArcGIS.com Organizational Accounts for New Mexico Schools, ESRI Southwest User Conference, Santa Fe. NM, Dec. 3, 2014

**Paper Presentation:** Strategic Planning for K-12 Geography Education in New Mexico: Recent Activities of the New Mexico Geographic Alliance, Joint Meeting of the Southwest and Great Plains/Rocky Mountain Divisions of the AAG, Albuquerque, NM, Oct. 23, 2014

**Keynote Presentation:** Geospatial Learning Opportunities of the New Mexico Geographic Alliance, New Mexico Geographic Information Council, Albuquerque, NM. Oct. 21, 2014.

**Paper Presentation:** Volunteered Geographic Data and Citizen Science: Empowering New Mexico Students, New Mexico Society for Technology in Education Mini-Conference, Las Cruces, NM, April 28, 2014.

**Paper Presentation:** Geospatial Education Opportunities with the New Mexico Geographic Alliance, New Mexico Society for Technology in Education Mini-Conference, Las Cruces, NM, April 28, 2014.

**Paper Presentation:** T3G: The First Five Years, Association of American Geographers Annual Meeting, Tampa, FL, April 10, 2014.

**Paper Presentation:** The UCGIS GIS&T Body of Knowledge: Past, Present, and Future, Geography Distinguished Alumnus Lecture, Grand Forks, North Dakota, Nov. 21, 2013.

**Paper Presentation:** Using GIS in Your Science Class, New Mexico Science Teachers Association, Las Cruces, NM, Nov. 2, 2013.

**Paper Presentation:** You've Got Geography in My Science, National Council for Geographic Education Annual Conference, Denver, CO, August 3, 2013.

**Paper Presentation:** Toward an Immersive 3D Virtual BoK Exploratorium: A proof of Concept, ESRI International User Conference, San Diego, CA, July 10, 2013.

**Paper Presentation:** A Geodesign Exercise: First Experiences, ESRI Education User Conference, San Diego, CA, July 08, 2013.

**Paper Presentation:** Toward a 3-D Immersive Virtual Exploratorium for the GIS&T Body of Knowledge, Association of American Geographers, Las Cruces, NM Apr. 10, 2013.

**Paper Presentation:** A Reality-Based Geodesign Exercise: Informing the Valles Caldera National Preserve Management Act, Geodesign Summit, Redlands, CA, Jan. 24, 2013.

**Paper Presentation:** A geodesign project to augment a traditional GIS course, Southwest Division, Association of American Geographers, Las Cruces, NM Oct. 25, 2012.

**Paper Presentation:** Preliminary comparative analysis of GIS workforce education: Comparing practitioners with educators,” Applied Geography Conference, Minneapolis, MN, Oct.12, 2012.

**Panel:** Rethinking Applied Geography – An Open Forum, Applied Geography Conference, Minneapolis, MN, Oct. 10, 2012.

**Paper Presentation:** Designing for Engaged Learning in GIS Courses Through Online, Hybrid, and Collaborative Models, National Council for Geographic Education, San Marcos, TX, Oct. 6, 2012.

**Anderson Distinguished Lecture in Applied Geography:** Land Classification Research: Retrospective and Prospects, Association of American Geographers Annual Meeting, Seattle, WA, June, 2012.

**Panelist:** Developing a Conceptual Framework and Best Practices for Community Geography Research and Pedagogy 4: A Focus on Educational Practices, New York, New York, June, 2012.

**Paper Presentation:** Geographic Information Science and Technology BoK2: Foundational Research (Cyber-GIS Panel), Association of American Geographers Annual Meeting, Seattle, Washington, 2011.

**Paper Presentation:** Geographic Information Science and Technology BoK2: Foundational Research, Milwaukee, Wisconsin, American Society for Photogrammetry and Remote Sensing, 2011.

**Paper Presentation:** Mapping the GIS&T Body of Knowledge onto Applied Geography Curricula, Redlands, California, Applied Geography Conference, 2011.

**Paper Presentation:** Geospatial 101: GIS as a Decision Support Tool, Washington, D.C., FOSE Conference and Exposition, 2011.

**Paper Presentation:** Geographic Information Science and Technology BoK2: Foundational Research, Milwaukee, Wisconsin, American Society for Photogrammetry and Remote Sensing, 2011.

**Paper Presentation:** Making Geography Exercises With Short Movie Clips, Portland, Oregon, National Council for Geographic Education annual meeting, August 4, 2011.

**Invited Presentation:** Geospatial 101: GIS as a Decision Support Tool, Washington, D.C., FOSE Conference and Exposition, July 20, 2011.

**Paper Presentation:** Creating Communities of Practice for GIS Education, Seattle, WA, Association of American Geographers Annual Meeting, April 12, 2011.

**Paper Presentation (Workshop):** Popular Media in the Geography Classroom, Microcomputers in Education Conference, Tempe, Az, March 14, 2011.

**Paper Presentation:** Reinforcing the Base of the GIS Education Pyramid. Savannah, GA, National Council for Geographic Education annual meeting, October 2, 2010.

**Paper Presentation:** Project-based GIS Design Education in the University. Washington, D.C., Association of American Geographers Annual Meeting, April 17, 2010.

**Poster Session:** Using high spatial resolution satellite imagery to detect vegetation change in response to precipitation and grazing intensity in Chihuahuan Desert Rangelands. 63rd Annual Meeting of the Society for Range Management, Denver, CO, Feb. 7-11, 2010, Paper No. P-41.

**Paper Presentation:** “Landform-based Eco-Regional Mapping in Arid Environments: Lessons from the Chihuahuan Desert,” Baton Rouge, Applied Geography Conference, October 28-30, 2009.

**Paper Presentation:** “A Spatio-temporal Examination of Domestic Violence Indicators,” New Orleans, 10<sup>th</sup> Crime Mapping Conference, August 19-22, 2009.

**Paper Presentation:** Using Simple Second Life Building Tools to Create Learning Objects, June 18, 2009, San Francisco, California, Sloan-C (Emerging Technologies in Education) Conference.

**Paper Presentation:** Using Second Life to Augment an Online GIS Course, March 25, 2009, Las Vegas, Nevada, Association of American Geographers, annual meeting.

**Paper Presentation:** “Shared Intellectual Landscapes: Teaching Science in Second Life,” June, 15, 2008, Carefree Arizona, Sloan-C (Emerging Technologies in Education) Conference.

**Paper Presentation:** “Second Life Fireside Chats: Social Presence in Online GIS Education,” ESRI Education User Conference, August, 2008.

**Paper Presentation:** “Spatial Correspondence Analysis of Family Violence Indicators in Dona Ana County: Preliminary Results,” National Institute of Justice Annual Meeting, Washington, DC, July, 2008.

**Paper Presentation:** “Shared Intellectual Landscapes: Teaching Science in Second Life,” Sloan-C: Emerging Technologies in Education, Carefree, AZ, May, 2008.

**Paper Presentation:** “Coyote Teaching: A Second Life for Online Geography Instruction,” Association of American Geographers Annual Meeting, Boston, March, 2008.

**Paper Presentation:** “Evaluation Strategies in Asynchronous Online GIS Courses,” ESRI Education User Conference. June, 2007.

**Paper Presentation:** “Applied Research and the Basics of Geography,” Association of American Geographers Annual Meeting, San Francisco, April, 2007.

**Paper Presentation:** “New Mexico Ecoregions Level III: An Overlay Evaluation,” ESRI International User Conference, June, 2007.

**Paper Presentation:** “Rapid Evaluation of Arid Lands: REAL,” US International Association for Landscape Ecology,” April, 2007.

**Paper Presentation:** ESRI Education User Conference, San Diego, CA, “Coyote Medicine: Tricking Your GIS Student into Learning,” July 6, 2005.

**Paper Presentation:** ESRI Education User Conference, San Diego, CA, “Bloom’s Taxonomy and the UCGIS Model Curriculum Learning Objectives,” August 10-13, 2004.

**Invited Paper Presentation:** Association of American Geographers / Gamma Theta Upsilon, Visiting Geographical Scholars Program. “Landforms, Cattle, and Drought: A Recipe for Landscape Dysfunction,” Sept. 24, Grand Forks, North Dakota.

**Invited Paper Presentation:** Association of American Geographers / Gamma Theta Upsilon, Visiting Geographical Scholars Program. “Geographic Information and Technology (GIS \* T): What it is and What You Should Know,” Sept. 24, Grand Forks, North Dakota.

**Invited Paper Presentation,** 2nd National LESA conference, July 2003, “Survey of Agricultural Land Evaluation Strategies,” Nebraska City, Nebraska.

**Invited Panel Member,** Panel on Implementing GIS in Higher Education, ESRI ArcInfo User Group Meeting, July 9-14, 2001, San Diego, CA.

**Invited Speaker,** “Activities of the UCGIS GIScience Model Curriculum,” ESRI GIS in Higher Education Meeting, July 6-8, 2001, San Diego, CA.

**Invited Speaker,** New Mexico Geographic Alliance, Workshop on GIS in K-12 Education, June 7-15, 2000, Albuquerque, NM.

**Invited Speaker,** New Mexico Geographic Alliance, Workshop on GIS in K-12 Education, June 14-15, 1999, Albuquerque, NM.

**Paper Presentation,** 95th Annual AAG Meeting, "A Brief History of Zoological Mapping," April 23-26, 1999, Honolulu, Hawaii.

**Invited Speaker**, ESRI Latin America, Workshop on GIS in Higher Education, Teaching GIS in Latin American Universities, April 9-11, 1999, Caracas, Venezuela.

**Invited Speaker**, 93rd Annual AAG Meeting, "Field Work, Regional Description and the Transition to Automated Geography: Lessons Learned from the Montfort Study," April 1-5, 1997, Fort Worth, TX.

**Paper Presentation (co-author)**, 93rd Annual AAG Meeting, "A Predictive GIS Model of Cougar Habitat in the San Andres Mountains, New Mexico," April 1-5, 1997, Fort Worth, TX.

**Paper Presentation**, 92nd Annual AAG Meeting, "Characterizing the Myrmecofauna Along an Engineered Riparian Corridor," April 13-17, 1996, Charlotte, NC.

**Invited Workshop Paper**, 11th Annual US IALE Landscape Ecology Conference, "Zoological Mapping: First Principles and Landscape Ecological Applications," March 26-29, 1996, Galveston, TX.

**Paper Presentation**, 91st Annual AAG Meeting, "Sympatric Speciation in Pogonomyrmex Harvester Ants," March 14-18, 1995, Chicago, IL.

**Poster Session**, 10th Annual US IALE Landscape Ecology Conference, "A Structural Analysis of Landuse and Landcover Change along a Riparian Landscape," April 22-26, 1995, Minneapolis, MN.

**Paper Presentation**, 90th Annual AAG Meeting, "Range Expansion of the Western Harvester Ant," March 29-April 2, 1994, San Francisco, CA.

**Poster Session**, 9th Annual US IALE Landscape Ecology Conference, "Modeling Edge Habitat Allocation Under Differing Conditions of Connectivity," March 23-26, 1994, Tuscon, AZ.

**Invited Speaker**, Conference on Sampling the Green World: Innovative Concepts and Methods for Collecting, Preservation and Storage of Phytodiversity, "Remote Sensing and Geographic Information Systems: Spatial Technologies for Preserving Phytodiversity," Fort Worth, TX (Nov. 19-20, 1993).

**Paper Presentation**, 89th Annual AAG Meeting, "Hypothesis Testing of a Vector-Based Percolation Model," April 8-11, 1993, Atlanta, GA.

**Paper Presentation**, 88th Annual AAG Meeting, "A Model of Species Response to Changing Edgescape," April 18-21, 1992, San Diego, CA.

**Invited Speaker**, 1st National Land Evaluation and Site Assessment Conference, "Requirements Analysis for GIS LESA Implementation," March 26-28, 1992, Kansas City, MO.

**Paper Presentation**, 2nd Ohio ARC/INFO User's Group Meeting, "A GIS Analysis of Landcover Change in the Northern Virginia Military District," Oct. 4, 1991, Columbus, OH.

**Paper Presentation**, Centennial Meeting, Ohio Academy of Science, "Vegetation Change in the Northern Virginia Military District, Ohio," April 26-28, 1991, Columbus, OH.

**Paper Presentation**, 87th Annual AAG Meeting, "Pedological and Microtopographic Influences on Western Harvester Ant Range and Eastward Expansion," April 13-17, 1991, Miami, FL.

**Paper Presentation**, 13th Annual Applied Geography Conference, "GIS Database Design for Archived Vegetation Map Information," Charlotte, North Carolina, Oct. 24-27, 1990.

**Paper Presentation**, 5th Annual US-IALE, Landscape Ecology Symposium, "A GIS Model of Jaguar Habitat Partitioning Under Conditions of Uncertainty," Oxford, Ohio, March 20-24, 1990.

**Paper Presentation**, 86th Annual AAG Meeting, "GIS Automation of Archived Vegetation Map Information," Toronto, Ontario, Canada, April 14-19, 1990.

**Invited Speaker**, GTU/AAG Visiting Scientist Program, Indiana State University Department of Geography guest lecture series, "Breathing New Life Into Old Data: GIS as Archive," July 26, 1989, Terre Haute, IN.

**Invited Speaker**, GTU/AAG Visiting Scientist Program, "Research Directions in GIS," Feb. 17-18, 1989, University of North Dakota, Grand Forks, and Bemidji State University, Bemidji, MN.

**Paper Presentation**, ASPRS/ACSM, AUTO-CARTO 9, "The Institutional Context of GIS: A Model for Development," (Peter Fisher: Senior Author), April 3-7, 1989, Baltimore, MD.

**Paper Presentation**, West Lakes Division, AAG Meeting, "GIS: A Tool for Identifying Potential Food Shortages via Desert Locust Activity," Oct. 26-29, 1989, St. Paul, MN.

**Paper Presentation**, 11th Annual Applied Geography Conference, "SEDRULE: A Rule-Based System for Interpreting the Major Sites of Sediment Deposition," Oct. 26-29, 1988, St. Paul, MN.

**Paper Presentation**, Ohio Academy of Science Annual Meeting, "Statewide Geographical Information Systems in Transition: The Case of the Ohio Capability Analysis Program," April 29, 1988, Newark, OH.

**Paper Presentation**, 84th Annual AAG Meeting, "Automating the SCS Land Evaluation Procedures for Forest Land," April 6-10, 1988, Phoenix, AZ.

**Paper Presentation**, 3rd Annual Landscape Ecology Symposium, "Fuzzy Overlay: Foundations and Potential," March 16-19, 1988, Albuquerque, NM.

**Paper Presentation**, International Geographic Information Systems Symposium, Association of American Geographers, "Sliced Vegetation Maps," Nov. 15-18, 1987, Arlington, VA.

**Paper Presentation**, 83rd Annual AAG Meeting, Portland, OR, "Fuzzy Sets, Natural Language Computation and Neighborhood Functions," April 21-26, 1987.

**Paper Presentation**, 82nd Annual AAG Meeting, Minneapolis, MN, "Rating the Transportation of Hazardous Material: A GIS Application," May 3-7, 1986.

**Paper Presentation**, Geographic Information Systems in Government Workshop, "A Knowledge Base Acquisition Strategy for Expert GIS Development," Dec. 10-13, 1985, Springfield, VA.

**Paper Presentation**, Southwest Division, AAG Meeting, Denton, TX, "Implications of LESA Weight Determination in Douglas County, Kansas," Oct. 17-19, 1985.

**Paper Presentation**, Sixteenth Annual Pittsburgh Conference on Simulation And Modeling, "The Formulation of A Rule-Based GIS Framework for County Land Use Planning," April 24-25, 1985

**Poster Session**, 48th North American Wildlife and Natural Resources Conference, Kansas City, MO, "The Agricultural Land Evaluation and Site Assessment (LESA) System: An Automated Approach," March 18-23, 1983.

**Paper Presentation**, Great Plains Rocky Mountain Division, AAG Meeting, Laramie, WY, "LANDSAT Data Classification for Detection of Pine Beetle Infestation," 1982.

**Paper Presentation**, Great Plains Rocky Mountain Division, AAG Meeting, Grand Forks, ND, "Mapping Pogonomyrmex," 1979.

## **HONOR SOCIETIES**

Member: Gamma Theta Upsilon, Honorary Geographic Society

Member: Sigma Xi, National Science Honor Society

## **PROFESSIONAL SOCIETIES**

Fellow: Royal Geographical Society

Member: Association of American Geographers

Member: National Council for Geographic Education

Member: National Council for the Social Studies

Member: New Mexico Geographic Information Council

Member: New Mexico Science Teachers Association

Member: International Society for Technology in Education

Member: New Mexico Society for Technology in Education

## **PROFESSIONAL ACTIVITIES: PROPOSAL REVIEWS**

Proposal Review, NSF Geography Division, 2010, 2013, 2015  
Proposal Review Team, NSF Geography Division, 2006 - 2008  
Proposal Reviewer, NSF Geography Division, 2001, 2002, 2003, 2004, 2008  
Proposal Reviewer, NSF Economics Division, 2000.  
Proposal Reviewer, New Mexico State University, Arts & Sciences, 1998-99.  
Proposal Reviewer, NOAA, Coastal Change Analysis Program, 1992-1998.  
Proposal Reviewer, National Fish and Wildlife Foundation, 1992.  
Proposal Reviewer, NSF, Geography and Regional Science Division, 1989.  
Proposal Reviewer, NOAA, C-CAP, 1989, 1990  
Proposal Reviewer, Center for Teaching Excellence, The Ohio State University, 1986-88.

## **PROFESSIONAL ACTIVITIES: EDITORIAL BOARDS**

Editorial Board, Review of International Geography Education Online, (2012 – present)

Associate Editor: Section Editor (Remote Sensing and GIS) Geography Compass (2012 – present)

Associate Editor: International Journal of Virtual and Personal Learning Environments (2010 – present)

Editorial Board: International Journal of Applied Geospatial Research (2011 – present)

Member, Editorial Board: Geography Compass – GIScience Division (2008 – present)

Task Force Member: Editorial Board, Geography Education National Implementation Project (2012 – 2013)

Member, Advisory Panel, National Science Foundation, Geography and Regional Science Division, 2006 - 2008

Secretary and Editor, US-IALE Newsletter, Newsletter of the US Regional Division, International Association for Landscape Ecology, (6/1994 - 5/1996)

Board of Directors, Editor, The Biogeographer, Newsletter of the AAG Biogeography Specialty Group, 3 year elected position (9/1991 - 5/1997).

Editorial Review Board: Computers, Environment and Urban Systems, 1989 to December 1997.

## **PROFESSIONAL ACTIVITIES: EDITORIAL REVIEWS**

## **PROFESSIONAL ACTIVITIES: REVIEW BOARDS**

GIS External Review Panel, Southwest Indian Polytechnic Institute (continuing)

GIS External Review Panel, Technical Vocational Institute, (continuing).

GIS External Review Panel, San Juan College, Farmington, (continuing)

## **PROFESSIONAL ACTIVITIES: PROGRAM REVIEWS**

2007: Northern Arizona University, Geography Department

## **PROFESSIONAL ACTIVITIES: OUTSIDE P&T REVIEWS**

2014:

C.P. Lai (University of Hong Kong) for promotion to Professor

2011:

Aniruddha Banerjee (Indiana University, Purdue University at Indianapolis) - for promotion to Associate and Tenure

2010:

Goeffrey Duh (Portland State) – for promotion to Associate and Tenure

Jun Luo (Missouri State) – for promotion to Associate and Tenure

2009:

Sharolyn Anderson (University of Denver) – for promotion to Associate and Tenure

## **PROFESSIONAL ACTIVITIES: ORGANIZATIONAL**

2015 – Present – Immediate Past President, National Council for Geographic Education.

2014 – Dec. 31, 2014 – President, National Council for Geographic Education

2011 – present – Chair, Anderson Medal of Honor Committee, Association of American Geographers

2011 – present – Delegate, Task Force, National Geography Education Implementation Project

2011 – 2014 Board, Applied Geography Conferences

2011 – Present - Alliance Coordinator, NGS New Mexico Geographic Alliance

2011 – March - July 30, 2011 – Steering Committee: National Geographic Society New Mexico Geographic Alliance

2011 – 2013 – Vice Chair (External Relations) National Council for Geographic Education

2008 – 2013 – Vice Chair: Geography Education Specialty Group, AAG

2007 – 2009 – Board member, Geography Education Specialty Group, AAG

2006 – present – Board member, Applied Geography Specialty Group, AAG

2001 – 2003 – Chair UCGIS Sponsored Programs Committee

2002 – Present: Director: Laboratory for Environmental Spatial Analysis

2002 – Present: Board of Directors, Institute for Natural Resources Assessment and Management, EPSCoR, National Science Foundation.

2002 – Present: University Information Science Strategic Planning Committee

2001 – Present: Geography Department Capitol Campaign Development Coordinator

1999 – Organizer, Zoogeography Session, Association of American Geographers'

Annual Meeting, Honolulu, Hawaii.

1998 – 2006: Member, GIS Model Curriculum Working Group, Sponsored by University Consortium for Geographic Information Science.

1997 – 2002 – Faculty Senate, New Mexico State University

1997 – 1999: Member, Arts and Sciences Curriculum Review Committee, NMSU.

1996 – Organizer, Zoogeography Session, Association of American Geographers' Annual Meeting, Fort Worth, TX.

1994-1996 – Secretary, US Regional Division, International Association for Landscape Ecology.

1991-1997 –Member, Board of Directors, Biogeography Specialty Group, Association of American Geographers

1995 – Member Arts & Sciences Ad Hoc Committee on Social Science Education, NMSU.  
SW Division, Association of American Geographers Arrangements Committee  
Organizer: Landscape Ecology Sessions, Association of American Geographer's Annual Meeting, Charlotte, North Carolina.

1993 –1995 – Treasurer: US Division International Association for Landscape Ecology

1993 –1996 – Board Member, Biogeography Specialty Group, Association of Am. Geographers

1993 – present – Advisor, Kappa Xi Chapter, G.T.U., New Mexico State University

1995 – 1996 – Chair, Science Review Panel, NOAA Coastal Change Analysis Program.

1991 – 1997 – Member, Science Review Panel, NOAA's Coastal Change Analysis Program.

1991 – 1993 – Board of Directors, NASA Center for Mapping, The Ohio State University.

1991 – Workshop Participant, NOAA's Coastal Ocean Program - Great Lakes workshop, Coastwatch: Change Analysis Program (invited participant).  
Local Arrangements Chair, Geography Branch, Ohio Academy of Science.

1988 – AAG, GIS/LIS Program Committee.

1987 – 1993 – Member, Ohio Remote Sensing Steering Committee, Fall 1987-present.

1986 – 1988 – Member, Educational Enhancement Grants Review Panel, Center for Teaching Excellence, The Ohio State University.

1985 – 1986 – Associate Director, GIS Laboratory, North Texas State University.

1984 – Advisor/Organizer, Zeta Phi Chapter, G. T. U., Mankato State University.

1981 – 1983 – President, Iota Upsilon Chapter, G. T. U., University of Kansas.

1976 – 1978 – Public Relations Officer, Psi Chapter, GTU, University of North Dakota.

## TEACHING EXPERIENCE

1993-present: Assistant / Associate Professor / Professor, New Mexico State University

- GIS for Water Management
- GIS Design
- GIS Capstone
- Geodatabase Design
- Introduction to Remote Sensing

Introduction to Cartography (Cartography and GIS)  
World Regional Geography  
Map Reading and Aerial Photo Interpretation  
Fundamentals of Geographic Information Systems  
Advanced Geographic Information Systems  
GIS Modeling and System Design  
Advanced Spatial Analysis  
Landscape Ecology  
Geodatabase Design

1986-1993: Assistant Professor, The Ohio State University

Geographic Information Systems  
Geographical and Land Information Systems  
Advanced GIS Applications in Botanical Mapping and Modeling  
Advanced GIS Applications in Biogeographical Modeling  
Seminar in Geographic Information Systems  
Principles of Cartography  
Numerical Cartography  
Map Reading

1985-1986: Assistant Professor, North Texas State University

Physical Geology  
Physical Geography  
Geomorphology  
Geographic Information Systems

1984-1985 Graduate Teaching Associate (Full Responsibility)

Conservation of Natural Resources

1983-1984 Assistant Professor, Mankato State University

Air Photo Interpretation  
Digital Remote Sensing  
Map Reading  
Geomorphology  
Glacial Geomorphology  
Seminar in Geographic Information Systems

## **TEACHING INTERESTS**

GIScience, Land Classification, GIS applications, Spatial Statistics, GIS Education, Landscape Ecology

**THESES SUPERVISED (\* indicates subsequent PhD)**

29. Lee, Christopher, MAG 2015, GIS in Vitaculture: An Analysis of Marginality and Wineries in New Mexico.

## **PROFESSIONAL ACTIVITIES:**

Member, Outside Review Panel, Southwest Indian Polytechnic Institute, Geospatial Information Systems Program  
Member, Outside Review Panel, TVI, GIS program  
Member, Outside Review Panel, San Juan College, GIS program  
Teacher Training, New Mexico Geographical Alliance, Summer, 1999, 2000  
Visiting Professor, Indiana State University, NSF Summer GIS Program, 1997  
Teacher Training, Ohio Geographical Alliance, Summer, 1992  
Visiting Geographical Scientist, AAG/GTU, 1988-1989, 2003

## **PROFESSIONAL ACTIVITIES: CONSULTING**

Virtual World Consultant, Los Alamos National Laboratories

GIS Workshop Consultant, 1105 Media Corporation, Inc.

GIS Education Consultant, GIS in Higher Education, Environmental Systems Research Institute, Spring 1998-present.

GIS Consultant, El Paso Electric Corporation, Introduction to Geographic Information Systems and AM/FM for managing their operations, (Spring 1997)

GIS Consultant, Botanical Research Institute of Texas, Review of Needs for GIS Implementation and Hiring, (Spring, 1994).

GIS Consultant, Lake Erie Geographic Information System, Product-Level Design Study, Funded by the Ohio Department of Natural Resources. (Summer, 1993)

## **SKILLS**

Experienced in field mapping techniques, air photo interpretation, digital image processing, radar image interpretation, image segmentation, and geographic information system applications using ArcView 3.x (with extensions), ArcGIS 10, Geomedia Professional, Softchalk, Articulate, Blender, Unity3D, Unity4, Maya, Mudbox.
